

WESTERN PLAINS PUBLIC HEALTH
(WPPH)

ANNUAL REPORT 2024

Prevent • Promote • Protect

MISSION

Ensuring a healthy community through promotion, protection, and prevention.

VISION

For a healthier way of life.

Board of Health Members

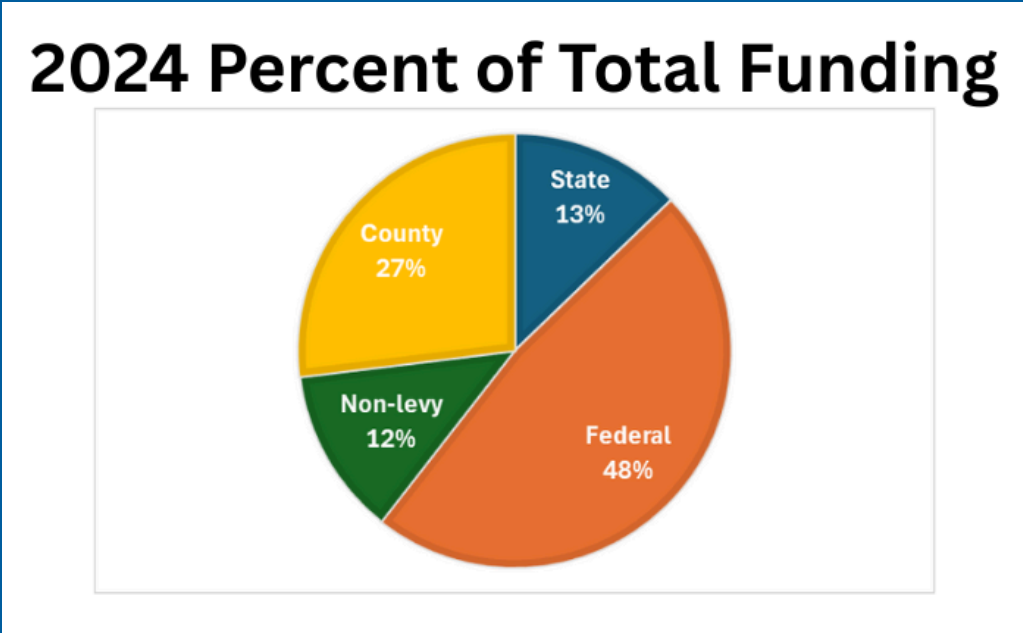

- Grant County: Charles Steinkuehler
- Mercer County: Jamee Folk
- Morton County: Shila Blend, Jackie Buckley & Dan Ulmer
- Oliver County: Tom Kaspari, MD
- Sioux County: Angela Eagle

Executive Summary

- A video series that highlights WPPH programs was completed. These videos are used to share with community members and partners to promote awareness of the work WPPH does. westernplainsph.org/about-us-0
- WPPH coordinated a group of local partners to establish a breastfeeding pod at ND's Gateway to Science center.
- A food insecurity screening process was incorporated into the electronic health record and screening/referral process.
- WIC opened a new site in Linton, ND.
- WPPH staff continue to collaborate with community partners and provide education to the community about relevant health topics. This occurs through coalition work and outreach efforts.

COMMUNITY ENGAGEMENT

is a process of developing relationships that enable stakeholders to work together to address health-related issues and promote well-being to achieve positive health impact and outcomes.

Community engagement helps accomplish changes in behavior, environments, policies, programs and practices within communities.

WPPH goals focus on:

- Developing relationships and sharing resources
- Assessing and improving policies and processes
- Improving communications and providing education
