

Home Visiting/Health Maintenance CLIENT RIGHTS AND RESPONSIBILITIES

As a Home Visiting-Health Maintenance client, you have the right to be informed of your rights and responsibilities before the initiation of the care/service. If/When a client has been judged incompetent, the client's family or guardian may exercise these rights as described below. As they relate to:

CLIENT RIGHTS, you have the right:

1. To receive services appropriate to your needs and expect the home care organization to provide safe, professional care at the level of intensity needed, without unlawful restriction by reason of age, sex, race, creed, color, national origin, religion or disability.
2. To be informed of services available.
3. To be informed of the ownership and control of the organization.
4. To be told on request if the organization's liability insurance will cover injuries to employees when they are in your home, and if it will cover theft or property damage that may occurs while you are being treated.

CLIENT CARE, you have the right:

1. To be involved and present in your care planning, including education, from admission to discharge, and to be informed in reasonable time of anticipated termination and/or transfer of service.
2. To receive reasonable continuity of care.
3. To be informed of your rights and responsibilities in advance concerning care and treatment you will receive including any changes, the frequency of care/service and by whom (disciplines) services will be provided.
4. To be informed of the nature and purpose of any technical procedure that will be performed, including information about the potential benefits and burdens as well as who will perform the procedure.
5. To receive care/service from staff who are qualified through education and/or experience to carry out the duties for which they are assigned.
6. To be referred to other agencies and/or organizations when appropriate and be informed of any financial benefit to the referring agency.

RESPECT AND CONFIDENTIALITY, you have the right:

1. To be treated with consideration, respect and dignity, including the provision of privacy during care.
2. To have your property treated with respect.
3. To have staff communicate in a language or form you can reasonably be expected to understand and when possible, the organization assists with or may provide special devices, interpreters, or other aids to facilitate communication.
4. To maintain confidentiality of your clinical records in accordance with legal requirements and to anticipate the organization will release information only with your authorization or as required by law.
5. To be informed of the organization's policies and procedures for disclosure of your clinical record.

FINANCIAL ASPECTS OF CARE, you have the right:

1. To be informed of the extent to which payment for the Home Visiting-Health Maintenance services may be expected from Medicare, Medicaid, or any other payer.
2. To be informed of charges not covered by Medicare and/or responsibility for any payment(s) that you may have to make.
3. To receive this information orally and in writing before care is initiated and with 30 calendar days of the date the organization becomes aware of any changes.

SELF-DETERMINATION, you have the right:

1. To refuse all or part of your care/treatment to the extent permitted by law and to be informed of the expected consequences of said action.
2. To be informed in writing of rights under state law to formulate advance directives.
3. To have the organization comply with advance directives as permitted by state law and state requirements.
4. To be informed of the organization's policies and procedures for implementing advance directives.
5. To receive care whether or not you have an advance directives in place, as well as not to be discriminated against whether or not you have executed advance directives.
6. To be informed regarding the organization's policies for withholding of resuscitative services and the withdrawal of life-sustaining treatment, as appropriate.
7. To not participate in research or not receive experimental treatment unless you give documentation, voluntary informed consent.
8. To be informed of what to do in an emergency.
9. To participate in consideration of ethical issues that may arise in your care.

COMPLAINTS, you have the right:

1. To voice complaints/grievances about treatment or care that is or fails to be furnished or regarding lack of respect for property without reprisal or discrimination for same and be informed of the procedure to voice complaints/grievances with the home care organization.

Complaints or questions may be addressed to:
