If you are a Salvage Food Operation, Food Processor, Vendor, or Mobile Food Unit you must contact the North Dakota Department of Food and Lodging at 701-328-1291.

By signing this application form, I affirm that I am familiar with the North Dakota Administrative Code Chapter 33-33-04.1 dealing with sanitary requirements for food and beverage establishments. Furthermore, I confirm that the establishment will operate in compliance with these requirements. I hereby certify that the following information is correct and I fully understand that any deviation from below without prior approval from Western Plains Public Health may nullify this approval.

AUTHORIZED SIGNATURE & TITLE

Approval of these plans and specifications by Western Plains Public Heall other codes, laws or regulations that may be required – federal, state,		•

other codes, laws or regulations that may be required – federal, state, or local. It further does not constitute endorsement or acceptance of the completed establishment (structure of equipment). A pre-operational inspection of the establishment will be necessary to determine if it complies with the local and state laws governing food service establishments. The pre-operational inspection shall be completed 15 days prior to servicing the public and must be requested by the establishment owner/operator.
