ANNUAL REPORT 2022

Western Plains
PUBLIC HEALTH
Formerly Custer Health

prevent • promote • protect

MISSION

Ensuring a healthy community through promotion, protection, and prevention.

VISION

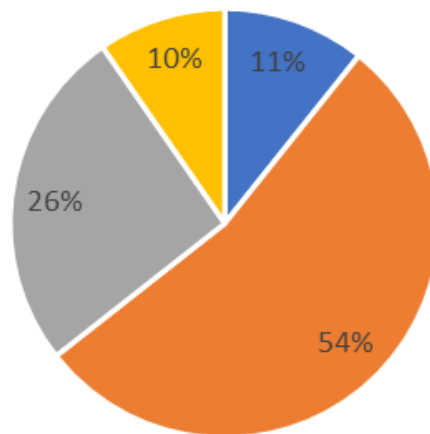

For a healthier way of life.

Custer Health has been providing essential health services in Morton, Grant, Mercer, Oliver and Sioux counties in North Dakota since 1950. As of May 1, 2023, Custer Health officially became recognized as Western Plains Public Health. WPPH is dedicated to the same mission and vision, just as it had previously done as Custer Health, but now with a new logo and name.

COMMUNITY ENGAGEMENT

Engaging diverse stakeholders as ongoing partners to reduce disease rates, provide opportunities for interventions & increase access to healthcare.

Health equity is ensuring everyone is provided the opportunity to live the healthiest life possible.

Western Plains Public Health's Strategic Plan focuses on three goals.

1

GOAL ONE

WPPH will strengthen relationships and share resources (inclusive of COVID-19) with key partners and community coalitions in the five-county service delivery area.

2

GOAL TWO

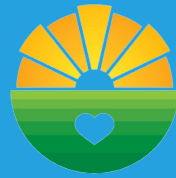

WPPH will conduct organizational assessment of health equity, provide staff training and apply findings to policies and processes (inclusive of COVID-19).

3

GOAL THREE

WPPH will improve health literacy (inclusive of COVID-19) in 50% of services provided.
